Transcript (copy segment transcript here):

[00:06:03-00:06:35] Cool. Um, what is your goal after graduation? My goal after graduation would be, um, to get myself a good job and move far from my hometown. Not far from home. But like move away from my hometown to see different parts of the world, you know, because I didn't really travel that much. So I would like to give myself that opportunity.
